Web article: *Sacred Spaces* resources

Sacred Spaces of Greater Cincinnati

Related Resources

The production team has compiled related resource information from a variety of libraries, archives, books, media and web based resources. This related resource list has popular works for those who want general information about sacred architecture and art in the region. The resource list also has a project bibliography and some of the websites of related organizations with additional on-line resources, including many of the featured churches, temples and mosques that have their own print and media publications.
